Dear Mrs Manley

By now I know you've heard the good news and of course just as happy as we are now for the Eagles next summer I hope this point system is really rough of course the ball players of the other league will get out because the owners will probably see to it any way I hope to write you next summer that is if you still want me. It'll be great to see that pennant next year and with the players we have coming back we can't lose. I had a paper and saw the standing and we were pretty low of course next time it'll be a different story. In closing all I can say is that I am happy that the war is over and will be much happier when I get home. (Very truly)  
Yours Truly

P.S. I saw the Trade Concerning Miller's
